

**Syllabus**  
**Francois Auguston**  
**WEBMASTERING**

(972) 240-3740

Foaugust@garlandisd.net

Tutorials: Monday-Thursday 2:40-3:15  
and by appointment

**Course Description :**

Through the study of technology applications foundations, including technology-related terms, concepts, and data input strategies; students learn to make informed decisions about technologies and their applications. Using Adobe software, students learn how to build websites through coding.

**Course Objectives:**

1. Summarize the technical needs of a World Wide Web (WWW) server including Random Access Memory (RAM), hard disk capacity, Central Processing Unit (CPU) speed, methods of connectivity, and appropriate software.
2. Use vocabulary related to web mastering and delineate between the Internet and an intranet;
3. Discuss copyright laws/issues and model ethical acquisition and use of digital information, citing sources using established methods
4. Learn XHTML coding and Dreamweaver for web building.

**Software** – Text Pad, Dreamweaver, Microsoft Office, Adobe Dreamweaver CC.

**Supplies Needed:**

Pen, pencil & *Brains*

**Notebook Spiral**

**Lab fee of \$1.00 (Hand Sanitizer or Box of Tissue)**

**AUP (Acceptable Use Policy) signed by parent and student**

**Preparing students for tomorrow--Inspiring them today!**

## Grading and Weighted Categories

Class Work: 30%

Projects: 40%

Quizzes: 15%

Participation: 15%

## Classroom/Computer Lab Expectations

No food or drinks in the computer lab

No Cell phone or Mp3 players use in class

Please refrain from talking during instructions

Always follow the GISD **Acceptable Use Policy** when using computers

- Be on time and prepared to work
- Follow directions
- Listen while Mr. A is talking
- Bring your own supplies
- Treat classmates with respect/as you wish to be treated
- Check your attitude and drama at the door
- Take care of equipment and pick up after yourself (AUP)
- Sit in your assigned seat
- Do your own work
- Refrain from using vulgarities
- Eat and/or drink outside of the lab (includes candy)
- MYOB-Mind your own business
- Take care of your personal needs before you get to class
- Sleep at home or during lunch, but not in class
- Pay your \$1.00 lab fee
- Keep your desk clean and pick up after yourself
- Use your time wisely

**\*\*The bell does NOT dismiss this class, Mr. A does\*\***

## Consequences and Rewards

Initial/Minor offense: Verbal/Non-verbal Warning (at times blanket verbal warnings, rather than individual) will be given

Repeated/Blatant offense: Short Detention (15 minutes)

Excessive offenses: After-School Long Detention (35 minutes) and Parent Contact

Excessive, blatant offenses or severe infractions: Office Referral and Parent Contact

Students will be rewarded for consistently following classroom rules and contributing to class in a positive way. Rewards, which will be randomly given, may include homework replacement, quiz replacement, and bonus coupons. Random praising of students will happen daily.

**Preparing students for tomorrow--Inspiring them today!**

### **Homework**

There is generally no homework for this class. However, you will be able to access your assignments through Google Classroom outside of school. So keeping up with your work should not be a problem.

### **Late Work Penalty**

Per GISD policy, students will receive a 10-point deduction per day for late work, up to 30-points (3 class days). After the 3<sup>rd</sup> day an assignment is late, a student WILL NOT receive any credit for an assignment. Do NOT ask for exceptions to be made to the late policy.

### **Makeup Policy**

Students with excused absences will have one day per day of absence to make up their work, per GISD policy. Students with an unexcused absence will receive a 20-point deduction, per GISD policy. Regardless of the type of absence, *it is the student's responsibility to consult Google Classroom AND check with your teacher for any work that you missed due to absence the day you return to class.* Failing to do so does not result in extended time. (Students and/or parents may email for work in advance of a student's return, if desired.) If a quiz, test, or project is scheduled for the day a student returns from absence, the student is responsible for that assessment on the scheduled date. *It is also the student's responsibility to schedule a time to make up any quizzes or tests taken in their absence.* Students who fail to schedule makeup quizzes and tests will not receive extended time to make them up.

### **Parent/Guardian Contact**

I will periodically call or email parents regarding progress and behavior—both positive and negative—as the need arises. Therefore, it is very important that I have working, up-to-date contact information for each parent/guardian and your preferred method of contact (email, phone, etc.).

### **Google Classroom Access**

Students can find course information, assignment postings, and other resources in Google Classroom, which should be checked DAILY. (Grades will not be posted in Google Classroom.) This class section's Google Classroom Code is (A2- 84uqar) (B1-dmak963) (varies by course section, see classroom signage/teacher). (Parents may use your student's login information to view the student view of Google Classroom.) Parents may request access to email notifications from Google Classroom by providing me with an email address and marking the appropriate section on the Parent/Student Acknowledgement form.

### **How to Reach Mr. Auguston**

I will be available after school by appointment if students need to talk to me about classwork or problems affecting their work.

Parents needing a face-to-face conference should email their child's teacher.

For immediate communication regarding progress or behavior, please feel free to email me @

**E-mail:** [Foaugust@garlandisd.net](mailto:Foaugust@garlandisd.net)

**Phone:** 972-240-3740

I will respond to emails within one school day. If you call at a time that I am unavailable, please leave a detailed message, and I will return your phone call within one school day.
